

3 Courses

Fundamentals of Red Hat
Enterprise Linux

Linux System Administration
with IBM Power Systems

Private Cloud Management
on IBM Power Systems

Feb 25, 2022

Haftamu M Molla

has successfully completed the online, non-credit Specialization

Linux and Private Cloud Administration on IBM Power Systems

This specialization introduces Red Hat Enterprise Linux system administration and private cloud capabilities of IBM Systems. IBM Power servers will be used to demonstrate these concepts. Through three courses, you will learn a range of concepts from how to get started with Linux, to using Linux in a large cloud environment. Brought to you by IBM!

Bill Miller
IT Management
